I have the honour to request that the Government will be pleased to sanction the formation of a District Intelligence Bureau in the South Kanara District with a staff of one Sub-Inspector, two Head Constables and one lower division clerk for the reasons explained below.

2. A District Intelligence Bureau is sanctioned for each district in the Province except in the case of the South Kanara and the Nilgiris districts. An unofficial District Intelligence Bureau with a staff of 1 Sub-Inspector, 1 Head Constable and 1 Constable found from the existing strength of the South Kanara district has been functioning in the district for over 5 years. The Head constable and the constable for the unofficial Bureau are found from the strength of Mangalore Town Station and the Sub-Inspector from Udipi Station. He is the second Sub-Inspector sanctioned for the station. Crime and other general work in both the stations have increased greatly and the two stations cannot any longer afford to spare their services for work in the unofficial District Intelligence Bureau. The re-transfer of this staff to their stations has become an urgent necessity.

3. There are about 350 registered criminals in the district, but history sheets have been opened only for 135 of them. There is also a detachment of a Thottia Naick gang moving in this district throughout the year and 25 personal files are on record in respect of them. There has also been, of late, an exodus of criminals from Mysore and Malabar into this district. The maintenance of the records of the district and inter-district criminals in a manner which will make them of real use in the detection and prevention of crime and the collection, collation, recording and presentation of all available information for the district as a whole, involve incessant correspondence within the district and with the neighbouring districts, Mysore State and Coorg. This work can be done only by a District Intelligence Bureau with the usual recognised staff and the need for an

official

official Bureau in the South Kanara district has, therefore, become an urgent necessity.

4. The staff of the District Intelligence Bureau in other districts consists of one Sub-Inspector, three Head constables and one Lower Division clerk with typewriting qualification, but this district can, for the present, manage with a staff of one Sub-Inspector, two Head constables and one Lower Division clerk. I request that this staff may kindly be sanctioned as an urgent measure for a period of two years from the date of their employment. The supply of a typewriter for the use of the Bureau is also essential.

5. The expenditure involved will be as shown below:-

South Kanara istrict.

(CNO. 147224) From the I.G. of Police, Rc.No.1248/Aud/42 dated 'C-5-42.

A Dt.Intelligence Bureau has been sanctioned for ch district in t is province except South Kanara and the Nil iris dts. The duties of these Bureaux are described in the I.G's letter at pp.3-4 of G.O.No.191 Pub(Police) dated 20-4-33.

2. The districts of South Kanara and the Nil iris were not included in the I.G's previous proposals for the formation of Dt.Intelli ence Bureaux in t e other districts as at that time the I.G. was of opinion that the crime ork in those districts did not justify their creation-Vide para 3 of I.G's le ter at p. of G.O.No.176 Pub(Police) dated 25-3-35.

3. For the reasons stated in paras 2 nd on pp.1-2 o the I.G. has now proposed the formation of a Dt.Intelli ence ure in the South Kanara istrict. The s tement of rave crime on p.11 of the olice Administration report for 1940 shows an increase t e tot l number of crimes in e South Kanar dt. in 194-0, s compared with 1939 and the ain uen ial verage for 1934 to 38.

4. he staff sanc ioned or the Dt.Intelli ence ur in the other districts is one S.I, 3 head const les one lower ivision erk. ut for South Ka ra istrict the I.G. has reco s of only one S.I, two head const les nd one lower division erk, was re uested th t the staff may be sanctioned for (as an urgent measure) a period of two years i the first instance. He has also asked for a typewriter for the use of the ureau.

. he fin ncial cost of the proposal is as follows: recurring expenditure of Rs.2671-11-0 and a non-recurring expenditure of s. 1160 including the cost of two typewriting s. The recurring expenditure exceeds the limit of Rs.250 and the non-recurring expenditure exceeds the limit of Rs.500 prescribed in Part II orders. The I. however, for an exception has asked for sanction for the S.I and the ure

This is definitely necessary in S. Kanara and it is rather surprising that the proposal has not been made before. It may be accepted.

The proposal of the D. G. of Police to sanction a Dt. Intelligence Bureau in the South Kanara District involves an extra recurring cost of Rs 2572 and a non-recurring cost of Rs 4960 as shown in the statement on p2 C/. The Home Dept support the proposal

2. It will be seen from the page 11 of the Administration Report for 1940 that the total number of grave crimes in the South Kanara District has been 805 and that this is heavier than the number of crimes in the districts of Vizg-Nellore (594), Kurnool (535), Bellary (501), Anantapur (481) Cuddapah (538), Chittoor (544) and South Arcot (542) for which Dt Intelligence Bureaux have been sanctioned. The proposal to form a bureau in South Kanara may be accepted.

E&PH

There is great difficulty in obtaining typewriters. The demand for them has 25554
increased on account of the creation of war posts, and they have to be given preference. From page 1 of it is seen that an unofficial D.I.B was working in the Dt for over 5 years. Home may consider whether the typewriter used by the above Bureau cannot continue to be used. Only if the supply is absolutely essential, and not otherwise need the typewriter be sanctioned.
